

DECISION RECORD  
AND  
FINDING OF NO SIGNIFICANT IMPACT  
  
REVOCATION OF EXECUTIVE ORDER 3077  
WRANGELL, ALASKA

- I. Decision:  
It is my decision that Executive Order (EO) 3077, be revoked as it pertains to Section 24 of T. 62 S., R. 83 E., Copper River Meridian, Alaska.
- II. Rationale for the Decision:  
The U.S. Customs Service has determined that the lands are no longer needed for the purposes for which they were withdrawn and has petitioned the Bureau of Land Management (BLM) to revoke EO 3077. Revocation of the withdrawal and restoration of the land to the public domain will allow the land to be conveyed to the State of Alaska.
- Revocation of EO 3077 will not result in any undue or unnecessary environmental degradation. No land use plan exists for this area. However, the environmental analysis assesses the impacts of the Proposed Action and provides a basis for a decision on the proposal of [43 CFR 1610.8 (b) (1)].
- III. Finding of No Significant Impact:  
Based on the analysis of potential environmental impacts contained in the attached environmental assessment, I have determined that the impacts are not expected to be significant and an environmental impact statement is not required.
- IV. ANILCA Section 810 Compliance:  
No significant restrictions of subsistence uses under Section 810 of ANILCA have been found.
